Description

Experience the perfect blend of timeless design, cutting-edge technology, and pure driving pleasure with this stunning example of the Porsche 911 Targa 4. Step into the world of Porsche with this immaculate 911 3.0T Targa 4, that has covered just 1263 miles and £23,413 worth of optional extra's, a car that captures the essence of driving pleasure while offering everyday refinement. The 992-generation continues the legendary 911 story, blending classic design cues

with modern engineering brilliance. This Targa is the perfect embodiment of that balance, with its unmistakable roofline and innovative retractable glass-and-metal roof system that pays homage to the original 1960s Targa while delivering cutting-edge technology.
