Description

iconic Rolls-Royce features such as the Spirit of Ecstasy on the bonnet, the Starlight headlining unique to Rolls-Royce, and the superior build quality inside and out. They have taken their classic recipe for greatness and added it all to a car with proper off-roading capabilities and all the amenities to shine above all other vehicles in its class. All this sublime comfort is underpinned by the work of art that is Rolls-Royce's extremely special 6.5 Litre Twin-Turbo

V12 which produces 563 Horsepower. While having so much power, it is still absolutely silent in the cabin with zero vibration. The harmony between comfort and performance is second to none in the SUV class. No other SUV has come close to the level of the Cullinan. With its closest competitor being the Bentley Bentayga or even the Mercedes-Benz GLS 63, they cannot match the prowess of Rolls-Royce when it comes to luxury.
